Rooms in Town

RoomsinTown represents independent discerning landlords offering executive accommodation to let nationwide. Our first class property portfolio also includes flats and houses for rent although our core business is luxury rooms. Rooms are available on temporary, or short-term lets, as well as mid., and longer term, rentals.

Renting is a popular option for landlords as is it 100% allowable against corporation tax and can conserve your capital while keeping pace with technology. Rooms in Town have a number of White goods including Washing machines, Dishwashers, Fridge Freezers, Tumble Dryers as well as LCD Televisions as part of the rental package. Their contract allows for budgeting and includes a service guarantee that is really important to the Landlords. Forbes Commercial is a professional organisation that landlords can rely on, to call out when repairs or breakdowns occur.
