## Sussex Orthopaedic NHS Treatment Centre

Sussex Orthopaedic NHS Treatment Centre provides services on behalf of the NHS. Patients are treated by highly trained clinical staff using the latest equipment to ensure that treatment is of the highest standard. The centre is located on the Princess Royal Hospital site and includes in-patient beds, day-case beds, operating theatres, high dependency beds (HDU), consulting rooms

Forbes Hotel TV installed 16 x 22inch Phillips Hotel Televisions. The brackets were mounted on the ceilings. The installation was bespoke and tailored to the clients needs, making sure that the patients needs came first.

Jason Cohen : “Your service was superb”
